VALERIE RUNNINGWOLF TO DEMONSTRATE MONO PRINTS

My education and background have always centered on art. I graduated from San Jose State with a BA in Art and graduate studies in the field of Education from **UC Santa Cruz.** "Art has always been a part of me. Through the years I have worked in varied artistic mediums...each medium evolving on its own and at the same time coming together." I am native to California and reside in the Central Valley. It is through art I found spiritual healing and within my art, I share a reverence for the life force, which connects all beings.

In gratitude to the spirit that inspires, using contemporary interpretations from ancient motifs and images from cultures that honor the earth, on gourd masks and vessels, my work is a continuation of early art forms. My paintings are of similar themes as well as contemporary ideas that awaken the spirit and offer a sense of inner peace. It is my hope that my art evokes something ancient and spiritual and one finds a reverence, which is both joyful and healing.

I have taught in both private and public schools for 20 years and am now working with young children, in which there is a mutual exchange. I am learning from their freedom and unbounded energy for expression and growing as an artist.

Art has always been a part of me. Through the past years I have worked in varied artistic mediums ... always returning to the organic gifts of the earth, each medium evolving on its own and at the same time coming together. My most recent art reflects a culmination of these art forms.

PRESIDENT'S MESSAGE

Summer is here, bringing with it our extremely hot weather. What a good time for all of us to spend time in our studios creating, and to attend meetings in a cool, air-conditioned building. I'm looking forward to seeing all your art at our Miniature Works show which will be held in a real gallery for the first time. We are going to be there through the July and August Art Hops, so there will be a sign-up sheet at receiving for the receptions to bring in finger food. Suggested menu-cold cuts, cut up fruit, cheese & crackers or cut up vegetables. We will be furnishing tea and coffee and Diane always serves wine.

We are going to be offering a new perk for our members—an artist page for you to show off your art. Each artist will have their own page (see the sample page insert) at the low cost of \$10 per year. I hope many of you will take advantage of this opportunity to show your art. The terms are given in more detail on the insert.
