## OUR JUDGE LINDA OBERQUELL

Linda began to take an interest in art when her grandfather took her to watch Dave Stirling paint in his studio in her hometown of Corydon, Iowa, where he spent winters, away from the cold and snow of his studio near Estes Park, Colorado. Her interest in art continued and she received a BA in Art from Montana State University in Bozeman, MT. She taught 7-9 grade art in Sidney, MT, for five years before moving to San Jose, CA, in 1986, where she worked for an advertising agency for 15 years in nearby Santa Clara. After retiring from the agency to do freelance web design work, she began taking several independent art classes online and from local and visiting artists including Stefan Baumann who is featured in the television series "The Grand View." Others included Judy Welsh, Nolan Clark, Gary Yarnell, Roger Bansemer, Robert Dvorak, Buck Paulson, Mark Carder, Richard Robinson, and Johannes Vloothuis, just to name a few. Linda began exhibiting in 2014 and won 1<sup>st</sup> place with her oil painting "Reflection" at the SCAA show at the Triton Art Museum in Santa Clara. She has participated in almost 20 exhibits since then, including 2 invitational shows and was accepted into the LGAA Fall Members Juried Show, juried by George Rivera, in late 2019. She loves learning and being around other artists and is looking forward to the many artistic opportunities available nearby.
